**Re: In the Matter of Petition of USTelecom for Forbearance Pursuant to
47 U.S.C. Section 160(c); WC Docket No. 18-141; Category 1**

Dear FCC,

Please maintain the current system of competition for Internet and phone service over existing infrastructure. Do not give AT&T monopoly power to hike broadband rates while providing less service than smaller, local broadband companies. Competition among broadband service providers is good for both consumers and business.
